MECHANICAL PREE: ENCYCLOPEDIA.
No inventor or mechanic should be without

For almost two years I have been engaged in the Auto, business. I originated the first Automobile Supply business in America and now have a good business. It has reached such proportions that I am unable to fill orders. I must increase my business. I will make any one who wishes to invest in such an enterprise a very liberal proposition. My books will show what I am doing. Fullest investigation allowed and best of references furnished. I would be willing to take an active or silent partner or form a stock company. It will pay you to investigate. Over \$18,000 put into the business to get it where it now stands. Nearly \$10,000 worth of business received in the last three months. Investigate. Address T 286, Republic.
